MENTAL HEALTH ALLIANCE

In March 2021 the members of NAMI Greater Des Moines unanimously voted to become Mindspring Mental Health Alliance. Our programs and services remain the same, as is our commitment to provide no-cost mental health education, advocacy and support. And as an independent charity we provide transparency about how donations are used by the organization.

In the years we've spent supporting the mental health of our community, we've learned that historic achievement is simply the aggregation of many small steps. So we invite you to join us, as we tip-toe, step and stride into the future.

With much love and appreciation,
Mindspring
